INTENSIVE COURSE

2 DAYS

Intensive Refresher Course

HANDS-ON EXPERIENCE

If you are a nail technician that studied a long time ago and want to bring your knowledge up-to-date, then this course is exactly what you need!
In this course you will refresh your memory on how to use cuticle nippers and scissors, cut cuticles, use an electric manicure/pedicure machine, align the nail plates using Gel Polish, create the perfect arch, apply Gel Polish close to the cuticle, and decorate the nails.

The course incorporates training practices to **refresh** and **perfect** your skills. If there is anything you have not learned before, we will make sure to explain it and teach you how to do it.
